#### **Weather:**

- **Best time to visit:** With long periods of sunshine, clear blue skies, and many attractive festivals, the best time to visit Central Vietnam—Hue, Da Nang, and Hoi An—is during the dry season, which runs from February to June. From July to early October is also a good time to visit, as service costs are slightly lower than during the peak season, and the chance of rain or storms is relatively low. However, be prepared for hot and humid weather during this summer period. Late October to January is the rainy and stormy season, so if you're traveling during this time, be prepared for potential weather-related disruptions to your itinerary.
- **Pack Accordingly:** Pack lightweight clothing for hot weather and a raincoat or umbrella for the rainy season.

#### **Note when checking in for domestic flights in Vietnam:**

### **Do I need to purchase travel insurance before traveling in Vietnam?**

Absolutely. All passengers traveling with Vietnam Lovely Travel are required to purchase travel insurance before the start of their trip. Your travel insurance details will be recorded by your tour guide on the first day of the trip. Due to the varying nature, availability and cost of health care around the world, travel insurance is very much an essential and necessary part of every journey.

### **Money matters:**

When it comes to spending money on the trip, every traveler is a little different. You know your spending habits better than we do, so please budget an appropriate amount for optional meals, drinks, shopping, optional activities, and laundry. Make sure you have read the itinerary and inclusions thoroughly so you know what is included in the trip price and what you may need to pay for while traveling.

- Vietnamese Dong (VND) is the currency of Vietnam.
- ATMs: Check if your card is compatible with local ATMs before traveling to Vietnam. Using an ATM card will help ensure safety during your travel. However, you should also bring a small amount of cash for services, shopping, meals, etc., when needed.
- Scam alert: Be careful of street vendors and local markets using similar colors of 500,000 VND and 20,000 VND bills to scam visitors.
- **Counterfeit money:** There are some counterfeit banknotes in circulation in Vietnam, particularly for the 500,000 VND, the biggest Vietnam currency note, so you should only exchange money at reputable places or consult your tour guide for advice.
- **Keep small bills on hand:** Many vendors and small businesses may not have change for larger denominations, so it's helpful to keep smaller bills on hand.
- **Notify your bank:** If you plan to use your credit or debit card in Vietnam, notify your bank beforehand to avoid any issues with your account being flagged for suspicious activity.

Tipping is not mandatory or a common custom in Vietnam. However, it is greatly appreciated by service staff—such as waiters, hotel porters, drivers, and tour guides—especially when they provide exceptional service. Even a small tip can make a big difference and is considered a gesture of kindness and respect.
